

# 2012 "Oldest 46-R" Celebration

On August 18, 2012, camp parent and friend, Jerry Levine, became the oldest person to finish the Adirondack 46ers. Over 130 people made it to the top of Whiteface Mountain to share in the celebration.

With the event serving as a fund raiser, \$6000 was raised for the Adirondack Scholarship Foundation.

Many thanks to the following people for their hiking participation and donation for this fantastic event.
