

December 2021

Dear Donors & Friends:

There comes a time for all individuals and groups when change becomes a reality. Hopefully, that process is one of choice, and can be well planned for. In this case it is both...

After more than 20 years of joint service, we are both moving away from our official capacities as President and Executive Director of the Foundation, while simultaneously ensuring that the reigns of leadership get passed on to able successors.

We're immensely proud of our time and efforts contributing to the success of the Foundation. During our years, we have seen huge organizational expansion... a more diverse program and board makeup... not to mention **well over \$1,000,000 gifted in financial aid** for deserving children and families!

Of course, this success is due entirely to the generosity that you - our donors - have given in sustaining our mission. With deep appreciation we extend a very sincere *thank you* for your support in making the ADKSF as successful as it currently is.

While we step aside, we're very excited about the future, and we've done our best to provide a smooth transition. Both a new President and Executive Director have been designated and are already training for their roles. As their respective nominations still must be formalized (in a vote at the upcoming board meeting) we will withhold their names for now. However, we can tell you that we have 100% confidence in their ability to make the foundation even greater!

**As for us:** We will continue to support the Foundation as volunteers...

**As for you:** It's our parting wish that you do the same—as donors, volunteers, and champions for our cause!

If you have already given the gift of camp this year, thank you so much! If not, we ask that you consider us during this season of spirit and giving as we work towards a goal of matching or bettering the **43 scholarships we were able to award in 2021**. As always, we welcome any gift, any amount. With over 50 applicants for next summer, every little bit helps! You may mail a donation with the enclosed envelope, or conveniently and securely donate online at the address listed below.

Wishing you a happy holiday season, and a safe and healthy 2022!
